Viale regina Margherita, 1

REGISTER TO YOUR LIBRARY!

Everyone can register to the library and get a free card, without limits of age, origins and culture. Once registered, you will use your National Insurance Number to borrow books, magazines, films, CDs and DVDs, box games... The material('s) loan is free.

It is necessary for children to be accompanied by their mum or dad, who will be required to fill in a document of authorization.

CATALOGUE

You can find the books you are interested in by consulting the catalogue at the web site:
<http://rbv.biblioteche.it>

You have to log by your fiscal code and by your password, that is your date of birth written YYYY-MM-DD. You can reserve the books by yourself from home. In the library there are 4 pcs where you can consult the catalogue. The librarians can help you to consult the catalogue and to find the books in the shelves.

INTERNET

The Internet service is reserved to registered members of the library. Minors need the authorization of their parents 6 computers are available for internet surfing, to write documents and to print. It's possible to use a computer for not over 2 hours and with only four logins a day. The internet service is free.

The wi-fi sistem is available in the area of the library and in the reading park

The public library is a place where you can come alone or with your friends to read and to have answers about your "Why?"

You can find a lot of books, newspapers, audiobooks, DVDs and computer to look for books or to play. There are a lot of suggestions about readings as well.

Essays for children: books to know and to do.
